

Dear IoT North Conference 2023 Attendees,

I am writing to express my enthusiastic support for the upcoming IoT North Conference to be held on November 21st-23rd in Calgary, Alberta.

This is an exciting time for IoT and emerging technologies worldwide. The evolution of these sectors is certainly integral here in Calgary, and in Alberta, as we continue to diversify our local economy. We are Canada's fastest growing tech community and proud to be a partner of the IoT North Conference.

As someone who is passionate about purposeful advancements in technology, I know that this conference will serve as an excellent opportunity for professionals and enthusiasts to come together and discuss the latest developments and innovations in the field.

Our conference has gathered highly qualified speakers and industry leaders to share their insights and expertise. The diversity of the topics and sessions scheduled for the conference shows our commitment to providing a well-rounded experience for our attendees.

We have created an inclusive and collaborative environment that promotes networking and learning opportunities. I am confident that this conference will serve as a catalyst for meaningful connections and inspire new ideas.

As the Executive Director for Alberta IoT and Co-Chair of the IoT North Conference, I understand the importance of staying up to date with the latest trends and advancements in technology. Therefore, I highly recommend attending the IoT North Conference to anyone who is seeking to broaden their knowledge and enhance their skills in this field.

Thank you to the Connect Group for organizing this conference and for providing a platform for professionals and enthusiasts to come together and learn from each other.

Best regards,
Brenda Beckedorf
Alberta IoT
Executive Director
